FILTRATION & IAQ

Outdoor pollution gets all the hype, but indoor pollution also poses a grave and imminent threat to public health. In our homes, schools and workplaces indoor air quality is suffering, and quality of life is suffering with it. ProTeam fights back with the Next Generation of backpack vacuums to help you Clean for Health.

The American Lung Association and ProTeam are partners in an educational campaign about Indoor Air Quality issues. The American Lung Association does not endorse products.

ProTeam® referenced materials circulated by the World Health Organization, Environmental Protection Agency, American Lung Association, Centers for Disease Control and Prevention, and the US Green Building Council for factual information presented in this advertisement.
